After the meeting, it was mentioned that GSW is going to have a new class of Rookie racing. The rules allow for a 40 size ball bearing engine not to exceed \$120. No GSW membership is required in

order to race. If interested contact Craig Bevil at (817) 905-6144 or see the GSW website www.flygsw.org or <http://www.flygsw.org/images/pylon2005.htm>

Great News!

I just heard from Mario Gonzalez today. **A lease for the new flying site has been given to STRCC for review and signature.** The lease has been passed on to the club officers for review. Likewise, the lease has been sent off to Wes De Cou and Joe Beshar at AMA for review.

Hopefully we will be back in the air soon. Come to the meeting on January 10 to hear details on the new field.
